VISION

“A globally reputed institution and centre of excellence in labour research and training committed to enhancing the quality of work and work relations”

Mission

- Bring Labour and Labour Relations as the Central Feature in Development Agenda through:
 - Addressing issues of transformations in the world of work;
 - Disseminating knowledge, skills and attitudes to major social partners and stakeholders concerned with labour and employment;
 - Undertaking research studies and training interventions of world class standards; and
 - Building understanding and partnerships with globally respected institutions involved with labour.
